Beauty FROM WITHIN

We all hear so much about “**Beauty from within**”. Do you know what is it?

Beauty from within is all about nourishing your body with adequate nutrients that will have you radiating from the inside out.

The **micronutrients and macronutrients** (proteins, fats, carbohydrates and water) that we get from our food play an important role in supporting skin health. They protect the skin and prevent skin aging in several different ways.

Consume a **healthy balanced diet** that include lots of fibrous vegetables and whole grains, antioxidant rich fruit and berries, protein rich fish, eggs, poultry, legumes and dairy, omega 3 rich fatty fish – and use supplements to fill the gap of any micro- and macronutrient shortfall in your diet.

Wellness by Oriflame has various supplements that help to support healthy skin and overall health.

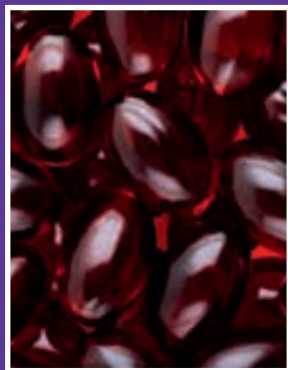

NUTRISHAKE

is made from natural whole foods like milk, soy, peas, apples, rosehips and sugar beets. There are **zero artificial flavours and colourants**. One serving of Nutrishake provides approximately **7 grams of high-quality protein**.

OMEGA 3

ensures a convenient daily intake of the **essential Omega 3 fatty acids EPA and DHA**. EPA and DHA are vital parts of all cell membranes in the body, including the skin, and have important roles in a lot of organs and tissues, including maintenance of the normal function of the heart, vision and brain.

ASTAXANTHIN & BILBERRY EXTRACT

provides a combination of antioxidants that includes nature's most **powerful antioxidant astaxanthin from microalgae and extract from bilberries**. In addition, it contains **vitamin C and E** that contribute to the protection of cells from oxidative stress.

Wellness By Oriflame makes healthy living easy for you, especially when you want to enjoy healthy nutrition on-the-go. A holistic approach towards wellness will help you to feel great every day.

INSIDE THE LAB

HOW DOES A MICELLAR CLEANSER WORK?

The formula of Diamond Cellular Micellar Solution Cleanser is made of micelles, tiny oil molecules suspended in soft water that dissolve and remove dirt, make-up and oil without drying out your skin.

CRYSTAL CLEAR BENEFITS OF SKIN CARE

Your nighttime skin routine is crucial, especially as you age. Use Diamond Cellular Micellar Solution to remove the day's dirt and debris from your pores and help increase circulation. After this, apply the Night Restorative Treatment which hydrates intensively, helping stimulate cell restoration as you sleep. Both provide a highly effective way to combat any signs of ageing.

DAILY 4-STEP ROUTINE

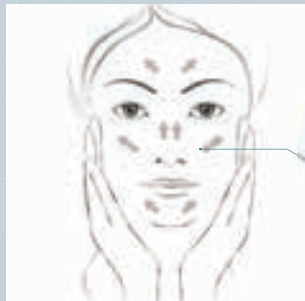

STEP 1 **CLEANSE - PREPARE TO ABSORB**

Cleansing your skin morning and evening removes impurities for good skin health and creates perfect conditions to absorb the rest of the products in your routine.

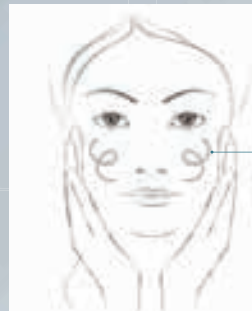

STEP 2 **EYES - FOCUS ON THE EYES**

Eye creams have lighter textures, are fragrance free, and specially formulated to target the unique needs of the eye area like lines, puffiness and dark circles.

STEP 3 **BOOST - ACTIVATE THE POWER**

Serums are the booster of your routine. The fluid texture of serum is designed to deliver its hydrating and youth-preserving actives quickly and efficiently, before you apply your day or night cream.

STEP 4 **MOISTURISE - REPLENISH & PROTECT**

Day and night creams provide the final layer of active ingredients together with moisturisation. The day cream is designed to help hydrate and protect your skin, while the night cream is designed to restore and replenish while you sleep.

WHY SHOULD YOU USE A PEEL?

The **NovAge Skin Renewing Peel** is a great alternative to classic 'scrub' exfoliators. It is formulated with an efficient blend of **alpha-hydroxy acids (AHA)**, a **beta-hydroxy acid (BHA)**, and also contains **pomegranate enzymes** known for their **exfoliating properties**. The formula gently and effectively peels off the outer layer of dead skin cells by helping **loosen dead skin cells**, enabling them to lift away to **promote intense skin renewal**. The result is skin with a **smooth and supple feel** and visibly improved texture that looks instantly **brighter** and **renewed**.
